ALL YEARS

Dear Parents

Barton Farm Primary Academy

In the next couple of weeks a planning application will be published for the temporary provision of the Barton Farm Primary Academy on The Henry Beaufort School site.

This is likely to be for two terms from September 2018 whilst the primary school waits for the completion of its purpose built school on Kings Barton.

The temporary accommodation will be situated behind the Beacon Arts centre using a site that was prepared for use a few years ago when St Bede's primary school was on standby to move out of its accommodation because of flooding. Whilst we did not need to use the temporary accommodation at that time the feasibility study for this accommodation means that the school is well equipped to welcome Barton Farm Academy without a detrimental impact on the provision for our students.

Barton Farm Academy will be one of our primary feeder schools and this temporary location will give the school an excellent opportunity to form what I am sure will be a very successful and mutually beneficial partnership moving forward.

I will keep you updated on this exciting development for the school as more information becomes available.

Yours sincerely

Miss S Hearle
