Dear Parents

As we approach winter and the weather gets worse the PE department would just like to remind parents of the official PE kit and expectations. Physical Education lessons will still take place outdoors so it is crucial that your child is fully prepared for the varying weather conditions.

Students in lessons can wear, to keep warm, the PE hoody (£16.50 - £20.00) or the rugby shirt (£14.00 - £18.00) both items can be ordered through the school website or directly with the supplier www.koolskools.co.uk/shop.

Both items of clothing are good quality and a good investment. Please note the hoody is only allowed to be worn during PE lessons and NOT as an alternative to the school jumper.

With regard to suitable footwear, on the astro (3G) it is essential that your child wears either football boots or 'astro' trainers – please see the image here as an example of the sole of an astro trainer. These types of trainers can also be worn indoors. If your child has a lesson on the field i.e. rugby they MUST wear football boots.

Thank you for your continued support

Yours sincerely

Miss Colebourn
Head of PE
