Dear Parents

Year 7 Art Sketchbooks and Folders

Firstly, I would like to take this opportunity to say how excited the Art Department is to have new artists in our midst!

Your child will be undertaking a wide range of art projects and will have many opportunities to use varied and exciting materials within the KS3 curriculum. In order to record their progress in Art, we recommend that they purchase a long lasting, hard backed sketchbook and A4 plastic portfolio. The Art department offers a high quality square, ring-bound sketchbook and A4 portfolio at a combined cost of £4.25. As we buy these items wholesale from educational suppliers it is very unlikely that products of a similar quality can be found at a more competitive price elsewhere.

If you would like to purchase the sketchbook and portfolio package please complete the form below and return. Payment can be made online. The items will then be distributed by your child's Art teacher in lesson time, once all payments have been received.

Yours sincerely
S Wybraniec
