Dear Parents

GCSE Languages

As part of the new GCSE for French, German and Spanish, students are required to prepare and learn answers to a range of questions from different topic areas for their speaking exam at the end of Year 11. Students have already started working on this and we are now at the stage where we need to keep the work safe and together in one place. As a department we have suggested to students that they purchase a flip file to organise their work rather than have loose sheets in books and folders. To make this easier, the MFL department has purchased these files and will be selling them to students through the finance office. The cost is £3.52 and our preferred method of payment would be online. You can also pay at the school finance office.

If your child is in receipt of free school meals, a folder will be provided to them free of charge. I would also like to take this opportunity to congratulate the students in Year 10 who have made a very positive start to the new GCSE course.

Please feel free to contact me if you have any questions regarding the contents of this email.

Yours sincerely
