11 December 2017

Dear Parents

Year 9 "Straw Poll" Options Form

On Thursday, Year 9 completed a "straw poll" Options Form. This was so that they could begin thinking about what their final choices might be, alongside considering their future plans and potential careers. It was explained to them that they would not be held to their choices on this form and that they could change their mind further into the process if they wished.

Another "straw poll" options form will be completed on Thursday 18th January, before the final options form is issued on Monday 29th January.

You will be kept fully informed of this process by means of the Options Talk for Parents on Thursday 25th January at 3pm followed by the Year 9 progress Evening on the same day.

Yours sincerely

Miss E Shelton
Assistant Headteacher
Henry Beaufort School
