Dear Parents

Year 11 Progress Evening – Thursday 11th January 2018

Happy New Year. I am hoping that 2018 brings lots of good things for the students in Year 11.

Progress Evening is on Thursday and if you have not yet made appointments then please do so, as soon as you can. Booking is open until 9.00am on Thursday morning. The details of how to book were sent in my previous email last term.

I also wanted to let you know that your child will be given their report today. This has been timed to coincide with Progress Evening and to allow you to discuss their up to the minute progress with teachers. Please read the information that is sent with the report with regard to the gradings. If you have any concerns with regard to a particular subject then please contact the subject teacher in the first instance.

I look forward to seeing many of you at the Progress Evening on Thursday.

Yours sincerely

Mrs Taggart
Head of Year 11
