Dear Parents

Year 11 Bake Sale

I wanted to let you know that the Year 11 Bake Sale held on 23rd February raised £329.65. This was an absolutely brilliant achievement and huge congratulations go to those Year 11 who contributed and yourselves for allowing them to bake such an incredible amount of cakes and cookies. The money is being used to support the Leavers' Ball in July.

All Year 11 were given a letter last week (or this week due to the snow) regarding the Leavers' Ball. Please can you complete the necessary forms and return as appropriate. Please do not worry about the deadline, I am happy to extend it due to the closure last week. All forms and cheques need to be returned to the Finance Office if you have not paid online.

Year 11 mocks are now over and hopefully your child has shared their most recent grades with you. For the most part Year 11 are working very hard which is very encouraging to see. Please continue to encourage them to attend clinics and revision sessions to support their learning. If you have concerns about particular subject areas then please contact the subject teacher or Academic Leader for advice and help.

Yours sincerely

Mrs Taggart

Head of Year 11 & Humanities Teacher
