

Occasionally, we may take photographs of the children at our school. We may use these images in our schools prospectus or in other printed publications that we produce, as well as on our website. We may also make video or webcam recordings for school-to-school conferences, monitoring or other educational use. Please note that websites can be viewed throughout the world and not just in the United Kingdom where UK law applies.

From time to time, our school may be visited by the media who will take photographs or film footage of a visiting dignitary or other high profile event. Pupils will often appear in these images, which may appear in local or national newspapers, or on televised news programmes.

Please read the following conditions for the use of any photos.
