Dear Parents

I want to share the contents of a letter with you from Crisis, the national charity for single homeless people, entitled **'Your gift will do wonders. Take my word for it.'**

*Your kind donation of £860.00 means so much to many people. Thank you. A few days of happiness friendship and great food can make all the difference to someone having a tough time.*

Thank you for your continued support with school events and especially the Christmas Non Uniform Day.
