Dear Parents

Home Learning Club Welcomes Everyone

I am writing to make you aware of the Home Learning Club that is available to all Henry Beaufort students after school. The club runs 2.40 - 4.30pm on Monday to Thursday and 2.40 - 3.30pm on a Friday in the school's Learning Resource Centre. There are late buses available on a Monday, Wednesday and Thursday for out of catchment students.

The aim of Home Learning Club is to provide an environment where students are able to work effectively, make use of the library resources and share ideas with other students. In terms of resources, the library provides stationery, computers, laptops and a wide range of fiction and non-fiction texts, including revision books, to aid student learning and development.

The Home Learning Club is run by Miss Phillips, the Learning Resource Centre Manager, and she is supported by two Home Learning Assistants (both of whom are Peter Symonds students) who come to the club on Monday, Tuesday and Thursday to help students with their work.

It is a fantastic opportunity for students to get in a habit of working and not just completing their homework, but completing it to the best of their ability.

Yours sincerely

Andy Applin
Assistant Heacher
