

We're Sorry...

Due to the current coronavirus outbreak and the extent of school closures announced yesterday, we are having to close our retail branches until further government information is published with regard to school opening. Please visit our website www.stevensons.co.uk to place an order online.

Our number one priority is the health and wellbeing of our staff, customers and school partners.

Stevensons are taking the outbreak very seriously, we remain well informed of the developing situation and are following all advice and recommendations set by the Government.

Although we have had to close our branches you can still buy your uniform online by placing an order via our award-winning website, www.stevensons.co.uk

For up to date branch information or to place an order visit

www.stevensons.co.uk

Best wishes and stay healthy in these eventful times.

Mark, John and Mary Stevenson
