Dear Parents

Year 7 Lockdown Moments

I hope you have had a good week and had an opportunity to enjoy this glorious weather. Thank you to all students for sending me your photos/ clips for our virtual assembly.

The video can be found in the online Year 7 folder for your viewing. I hope you enjoy it. See if you can spot some familiar faces!

Well done to all those who have submitted their assessments to their teachers. I hope you are able to enjoy next week and spend some good time with friends and family (as much as the government will allows us).

If the video starts to 'stutter', let the video load up a bit before pressing play.

Kind regards,

Mr Naisbitt
Head of Year 7 & Teacher of Physical Education
