

The London Marathon 2019!

Here are the results for the top three runners in the London Marathon 2019.

How much faster was Weynay than Ben?

Place (Overall)	Place (Gender)	Place (Category)	Name			
1	1	1	Ghebresilasie, Weynay (ERI)			
Club		Runner Number	Category	Half	Finish	
Shettleston Harriers		1451	18-39	01:05:04	02:17:21	
2	2	2	Gilbert, John (GBR)			
Club		Runner Number	Category	Half	Finish	
Kent AC		1291	18-39	01:08:00	02:19:03	
3	3	3	Johnson, Ben (GBR)			
Club		Runner Number	Category	Half	Finish	
Southport Waterloo AC		1246	18-39	01:09:22	02:20:03	

Could you find the distance between their clubs?

If the runners completed a $\frac{1}{4}$ marathon, what would you expect their time to be?

What is the average time of all three runners?

Your challenge is to design a mathematical question based around this information.

Try to make your question as interesting and mathematically rich as possible!
