Dear Parents

### Face Masks

As we come to the end of the second week of school I wanted to take this opportunity to praise our students for the mature and sensible way they have adapted to the new way of working on the school site. We are learning all the time about how to make the school day as straightforward as possible and there will be some small changes to the operation of the day that will be published to you in the next few working days.

We are noticing that some students are losing or forgetting their face masks. The school does have a limited supply of disposal face masks but this is beginning to run low because we are giving them out to students , sometimes on a daily basis.

Could I ask that at the weekend you check if your child has their face mask for school and if it has been lost or mislaid that a face mask is available for Monday morning.

Your support would be very much appreciated.

Yours sincerely,

Miss Hearle  
Headteacher
