Please use these examples for guidance regarding the suitability of a work experience placement from a Health and Safety perspective.

### SAFE - ACCEPTABLE

- Office based placements
- Care homes which do not require external visits
- IT position which do not require external visits

### ACCEPTABLE PENDING HEALTH AND SAFETY CHECKS

- Hospitality – restaurant, café etc.
- Transport – garage, repair shop etc.
- Animal – vet, stable, kennels etc.
- Farm – animals/machinery

### UNACCEPTABLE DUE TO AGE OF PARTICIPANTS

### FURTHER INFORMATION

Students cannot be paid for work experience, although employers may choose to pay for additional transport costs or provide refreshments.

Hours must be 'reasonable' and will vary depending on the employer. Usually students work a standard day or shift for that particular position. Hours should generally be between 4-8 hours per day, with a break for lunch and between 7am and 7pm.

\*Some businesses offer 'off-site' opportunities for work experience students, e.g. visit to another linked site. In these cases students may be offered travel in a vehicle with the employer or representative. If parents are not happy for this to happen the asterisked (\*) sentence should be crossed through on the front of the form.

We are unable to check placements out of Hampshire, so parents need to take full responsibility for these. The school will contact the employer via phone/email in place of a visit.

### PARENTAL CONSENT

As a parent or carer of the above learner, I confirm that I have read the employer details and am willing for him /her to participate in work experience with the employer for the agreed period of time. I also confirm that he / she is medically fit to undertake the placement.

\*Should the opportunity arise for my child/ward to take part in an 'off-site' visit as part of the placement, I consent to the employer providing travel which may be in a private vehicle. (Delete if consent is not given)

I have read the information on both sides of this form.
