

Year 7 & 8

4 December 2020

Dear Parent,

Request for Paired Music Lessons 2021

We offer a wide variety of music-making at The Henry Beaufort School, we have a range of different instruments as well as vocal lessons. Lessons are taught by Peripatetic music teachers on contract from Hampshire Music Service and can be on an individual basis or in groups or a pair.

As students have to remain in their year group bubbles for all lessons we will have some spaces available in the spring term due to our Year 11 students stopping due to concentrating on their GCSEs. In order for us to accommodate as many students as possible we are only currently offering paired or group lessons.

If you are interested in your child receiving these lessons, please could you complete this [Google Form Request for Paired/Group Music Lessons 2021](#) by Friday 11th December 2020.

For further information on costs, please see the link below to our website:

You may have already completed a Google Form previously or emailed us to enquire about lessons and been added to our waiting list but we would appreciate if you could still complete this Google form, however, if you complete this form and your child is already on our waiting list then your child will be given priority when a space becomes available.

Kind regards,

Finance Department
