Accelerated Reader – FAQs

Am I only allowed to read books with an AR Level?

No, you can read other books that do not have an AR Level if you like. If it is a book you have at home, from the public library or as an eBook it is worth using the search on Renaissance Place to check if it has an AR Level and a quiz. Remember the more quizzes you take the more points and 'words read' you will have!

Can I read books with a lower or higher AR Level?

Yes, you are allowed to read books of lower and higher levels but try to read as many as you can within your suggested level, or higher if you like. This will help you stretch yourself more and improve your reading skills.

Do the eBooks available on Wheelers have an AR Level?

A lot of the eBooks do have an AR Level. Unfortunately it doesn't tell you the level on the Wheelers website but you can search for the title on Renaissance Place.

What happens if I forget my username or password?

You can talk to me (Mrs Ireland) in your library lesson or your English teacher, and we will reset it for you. You can also send an email to library@beaufort.hants.sch.uk
