

9 December 2020

Dear Parents,

Last day of term

You may have heard or seen media reports last night that suggest that schools have been granted an additional day's holiday next week .
This is not true.

I received as part of the daily government briefing documents yesterday a suggestion that the last Friday is turned into an INSET day so that children do not have to be in school.

The Henry Beaufort School has one remaining INSET day left this academic year and that is the forward planning day in the second half of the summer term. This is an extremely valuable day for the school in being able to meet as an entire staff to prepare for the next academic year.

We will continue as normal with a half day closure on the Friday unless the government informs Headteacher's differently.

Kind regards,

Miss Hearle
Headteacher
