

Years 8, 9, 10 & 11

10 March 2021

Dear All

English Schools Virtua XC Event

I have been given the information below about the English Schools Virtual X-Country event so if your child is a keen runner it would be great if they could take part 'virtually'.

The link below gives details of how the event works and an entry form.

It is set for either 2km or 5km and broken into current school year groups 8&9 (Junior entry) and 10&11 (Intermediate entry).

Once you have completed your run, performances need to be recorded between Monday 15th and Sunday 28th March, at a proper course site and performances need to be verified by a coach/teacher/official. Please let any member of the PE staff know if you need any help.
