

12 March 2021

Dear Parent,

National Citizen Service (NCS)

Please find attached - NCS information booklet for parents.

This is an amazing opportunity for Year 11 students, the reports that we get back from ex-students about this is always positive. Today the students had a pre-recorded assembly from the NCS team and have also been sent some information to their school email address.

Kind regards,

Mr Coe  
Head of Year 11
