

24 March 2021

Dear Parent,

Year 11 – Evidence Assessment Timetable

Following the communication on Friday regarding the schools assessment process for the Year 11 students this year, I am writing to let you know there is now a Subject Evidence Assessment (SEAs) timetable on the school website.

<https://www.beaufort.hants.sch.uk/newsnoticesandtimetables>

Please go through this with your child at home and highlight any SEAs they have. The document is for all students but all assessments will not apply to everyone so please go through [this](#) carefully.

Any issues or concerns then please get in contact with your child's subject teacher if it relates to one subject, or alternatively their tutor or myself.

Yours sincerely

Mr Coe
Head of Year 11
