

GCSE CLINICS 2021

Clinics will be 30 minutes long and will be highly intensive sessions that reflect a productive timeframe to revise effectively. There will be a five minute movement time to allow students to then approach another clinic for the second 30 minutes. Each clinic will be run twice, every 30 minutes, on a specific night as per the timetable. Students will be able to select which clinic they go to 1st or 2nd but must always go to two different clinics. To ensure students are revising for all of their subjects we expect students to attend two different clinics on an evening.

Students will need to study the clinic programme carefully and ensure they are prioritising their revision needs.

Students should not leave the school site until the end of the second clinic and must be strictly punctual to all clinics.
