December 2021

Dear Parents

Edinburgh Trip; 11th July – 15th July 2022

I am pleased to announce our plans for a trip to Edinburgh during Enrichment week 2022. The cost of the trip will be approximately £480 and can be paid in instalments. This will include:

- Full transport – Coach travel.
- Full comprehensive insurance – copies available upon request.
- Full board accommodation

The cost of the trip also includes multiple visits in and around Edinburgh:

- Edinburgh Castle
- National Museum of Scotland
- Camera Obscura
- Our Dynamic Earth
- The Real Mary King's Close
- A 2 course meal at Pizza Express

Students will need to bring a packed lunch and snacks for the journey on the day of travel.

In the event that the visit is oversubscribed then selection will be made using the following criteria:

1. Priority will be given to those who have a positive behaviour profile. E.g behaviour log from the current and previous year does not include detentions, exclusions or a high number of behaviour points. Students with poor behaviour will not attend, their place may be withdrawn and no refund will be given unless the place is filled by another student.
2. They have followed and continue to follow the school rules. Their behaviour has been at an acceptable level during the current school year and they are on target to collect the correct number of stamps. (e.g. average above 30 stamps per week)
3. Attendance is good and there are no unauthorised absences.
4. Money owed to school from other activities including bus payments, music tuition or previous trips has been paid – students may not be eligible until all owed money is paid in full.
5. The number of other residential activities that students have already attended – priority will be given to those who have attended fewest.
6. Names out of a hat – this will be the final selection point.

This is a fantastic opportunity for students to experience the history and culture of Edinburgh and the obvious benefits for each child's social development is considerable.

The Henry Beaufort School reserve the right to withdraw a student's place if they deviate seriously from the schools behaviour policy or if there are any changes to your child's medical status on the lead up to the trip.

(Please note: Where the student has committed to a trip, and The Henry Beaufort School has entered into a financial agreement with an external supplier for such a trip, the school will be unable to refund monies which those suppliers will not refund, the Henry Beaufort School is acting as an agent in buying the trip for the students)

This will be an exciting opportunity for students taking part. There will be many students interested in this trip and whilst we would like to take as many students as possible there will be a limit.

If your child would like to attend the trip, please complete the Microsoft Form by 8am on Friday 17th December. If your child is successful, a £100 deposit will be required by Monday 17th January. A further payment of £150 will be required by Friday 11th February and the remaining balance of £230 will then be due by Monday 2nd May 2022.

Please contact the school if you have any questions.

Yours sincerely

R Bean
