Troubleshooting Tips - Please read before booking!

To login you need to enter the details we have on record for you and your child. If you have recently changed your title or surname, for example, and not informed us, we will be expecting you to login with the details we have on record.

- The child's date of birth must be entered in exactly the right format e.g. using four digits for the year of birth - 12/09/2010

- The email address you enter is only used to receive a confirmation of your appointment.

- If you have several children to make bookings for, use the 'Change Child' button on the blue bar (above the school's name) in the very top left corner of the Parent's Booking Page to swap between your children.
