Dear Parent

I am very pleased to report that 98% of the students at Henry Beaufort have so far worn the uniform with pride and in line with expectations, as set out in the student handbook during this first week.

There are a small minority (mainly girls) that are not meeting our expectations at the moment which is causing unnecessary disruption to the school day.

I would like to take this opportunity to clarify a few points;

- Skirts should be of appropriate length, touching the knee,
- Skirts should not be rolled up,
- Skirts should be purchased from the Henry Beaufort finance office to ensure they are of correct style,
- Trousers should be black smart trousers, not skinny style (wrapped to the leg) nor sweatpant style (baggy sports feel)
- Trainers are not permitted and replacement shoes will be provided for the remainder of the day.

NB- hoodies are not to be worn on the school site.

To ensure consistency for all students we will be taking a firm line with the students who are not meeting expectations so we can be fair to all. Therefore starting on Monday 14<sup>th</sup> September staff will be being extra vigilant in regards to uniform . This will mean **any** violation of the student dress code will **immediately** receive a 'uniform sticker' which will prevent any stamps being received that day.

We thank you for your understanding and cooperation in preparing students for the world ahead which often requires a uniform of some description.

We appreciate your support in ensuring Henry Beaufort uniform is worn with pride all day and every day.

Yours sincerely
