

The HENRY
BEAUFORT School

Parentmail
To Guitar players

25 May 2016

Dear Parents

Learning guitar or would like to start? Or just love to see live guitar music...?

Saturday 9 July 2016, Kings' School, Winchester.

We are delighted to be able to bring this acoustic and classical guitar event to you, with funding supported by Arts Council England. Thank you to Kings' School for providing the venue and to [Gary Ryan](#) and the Hampshire Music Service tutors who will be leading workshops in the afternoon and performing in the evening.

- Workshops are suitable for those aged 6 - 18 years old, but there are two workshops available for up to two parents to join in at beginner level.
- The performances in the evening are open to workshop participants and their friends and family

From 2 – 5pm workshops will be available to those in full time school/college education, aged 6+, from beginners upwards (please see [programme](#) for minimum requirements for each workshop). After a short break the evening will be graced by acts from local unplugged bands and artists, ending with the headliner – [Gary Ryan](#)

More information, and how to book, is available on our website on the [Acoustic Guitar Festival page](#)
