## THE ANATOMY CLUB

The Anatomy Club is a 3-month after-school programme covering all 12 organ systems. The sessions run for 2 hours weekly, led by two practising doctors. We cover the body systems in a fun and interactive manner by dissecting our virtual anatomy model. We also cover diseases affecting the organ system and try to solve anonymised real-life patient cases together.

The sessions are aimed at any students interested in Science and Healthcare who want to learn something outside of the school curriculum. Our passion is to inspire students to learn about human science in an engaging and affordable manner. The course suits all students aged 13 and above. Certificates will be provided for participation. Below are some further details:

DoctorsLive - Virtual Anatomy Club Weekly (November 2022 to January 2023) - Live Every Tuesday 6pm-8pm

The entire three-month program, including handouts, recordings and certificates, is priced at £59 per student. For more information and to enrol, please visit the link below:

## ONLINE CAREER AND WORK EXPERIENCE

Over the coming weeks the Career days have a range of online career & work experience days for students aged 14-18 to take part in.

Hosted live from the UK and watched across the world, your students are able to learn about their future careers and take part in interactive sessions where they can gain some experience to help them in their university applications.

The schedule is as follows:

- Medicine Career Day - already taken place
- Dentistry Career Day - already taken place
- Midwifery Career Day - already taken place
- Psychology Career Day - Saturday 5th November 2022
- Business Career Day - Saturday 12th November 2022
- Architect Career Day - Saturday 19th November 2022
- Vet Career Day - Saturday 26th November 2022
- Law Career Day - Saturday 3rd December 2022
- Computer Science Career Day - Saturday 10th December 2022
- Performing Arts Career Day - Saturday 17th December 2022

Students can visit [www.careerdays.co.uk](http://www.careerdays.co.uk) to choose a session and it would be great if your students aged 14-18 could join in.
