Applying for a Year 7 secondary school place in September 2023 - Late

7 LATE

Hampshire residents requiring a Year 7 place in September 2023 **must** apply through Hampshire County Council either online at www.hants.gov.uk/admissions or by completing this form. **Please do not do both.**

You can name any publicly funded secondary school or academy in England on this form.

DO NOT use this form to apply for an independent (private) school.

Parents wishing to apply to an independent school should contact the school directly.

DO NOT use this form to apply for a special educational needs (SEN) school.

Placements for children with an Education, Health and Care Plan are determined by the County SEN Team. For further information, please call the SEN Team on **01329 316165**.

Supplementary Information Forms (SIFs)

Some schools, especially faith-based schools, require you to complete a supplementary information form **in addition** to this application form. The SIF collects extra information needed by the school to determine which of their admission criteria you satisfy. You must check with the school to see if a SIF is required.

Completed SIFs must be returned to the school.

Please submit your completed application form as soon as possible to a Hampshire school during school hours or the County Admissions Team at the address on the form. (The deadline for applications was Monday 31 October 2022 – please refer to the frequently asked questions over the page to find out when your application will be processed)

Gathering information

Full information about the application process and all schools in Hampshire is available online at www.hants.gov.uk/admissions. To request a paper copy of this information please call **0300 555 1377**. You are encouraged to visit your preferred schools. Schools also publish lots of information on their website. You should also look at the school's admission policy which shows how places are allocated.

Completing your application

You can name up to three schools on this form.

- Identify your preferred schools and list them in order of preference.
- It is recommended that you name your catchment school, if you have one, as one of your preferences
- Naming the same school more than once will not increase your chances of gaining a place.
- Before making your selection, think about how your child will get to and from school. The following website may help you plan your journey: www.hants.gov.uk/educationandlearning/schooltransport

Warning: If you have already been offered a school place in response to an earlier application, any new offer will result in the automatic withdrawal of your previous offer.

Please turn over for frequently asked questions

Frequently Asked Questions

What address should I use for my child?

You must use your child's permanent address at the time of application. The permanent address is the child's normal place of residence. A business address, workplace address, relative's address or childminder's address will not be accepted. Where parents are separated and the child lives at more than one address, only one address can be used and this must be the address of the parent with whom the child spends most of their time. You may be asked to provide evidence of your address.

Moving house?

If you are moving house during the application process, you **must** provide the Admissions Team with evidence of your new address. Exchange of contracts or a signed tenancy agreement, usually of 12 months or more (the period of the tenancy must extend beyond the date of the child's admission) will be accepted as proof of address. You may subsequently be asked to prove that the child is resident at the new address. Any place offered may be withdrawn if this evidence cannot be provided.

If you are applying from overseas, you may use a Hampshire address if you have one subject to the same address evidence requirements as above. If you do not have a Hampshire address, you must use your current address.

For UK service personnel and crown servants returning from overseas with official proof of posting to Hampshire and a relocation date, a Unit postal address, a quartering area address or future home address will be accepted as the address for the application, subject to evidence being provided to the Admissions Team.

What will happen to my application?

Applications submitted after 31 October 2022, will be considered after all on-time applications have been fully processed. Each school named on this form will be considered using the school's admissions policy. Where more than one of your preferred schools can offer a place, the highest preference school where your application was successful will be allocated. If none of your preferred schools can offer a place, your child will be allocated a place at the catchment school, if places remain, or the nearest available secondary school.

When will I be told the outcome of my application?

If you submit your application before 1 March 2023, your application will be considered on 9 March 2023. Applications received on or after 1 March 2023 will be considered from 10 March 2023. The County Admissions Team will send you a decision letter by second class post. Please allow 2-3 days for your letter to arrive.

If you have any questions about your application, please contact the Admissions Team on **0300 555 1377** or email admissions.team@hants.gov.uk

Please note that we can only discuss the application with the applicant named on this form.
