OTHER INFORMATION

The PremedProjects Team

For students aged 14-18 considering careers in medicine, we've got a few work experience projects they can get involved with. Each one can help them decide if a career in medicine is the right choice and provide some stand out work experience for applications to med school.

Online Radiology Work Experience - Saturday March 4th 2023 - Another free session we are running for all budding medics. Interactive day where students can get involved in diagnosing patients with our NHS doctors. Simply join through the link, we've 1,500 places available.

Get into Medicine

To help your aspiring doctors in years 10-12 / S3-S5 / NI11-13 tactically choose universities and fully get to grips with UCAS, I am inviting them to a free, virtual Get into Medicine conference on Saturday 25th February (10am - 3pm)

Students can register here: https://airtable.com/shr66li3bqG3ZpkPM

The conference will cover:

- Tactically choosing universities
- Personal statements
- Medical school interview skills
- Medical Leadership Programmes
- Medical Awards Programmes
- Extracurricular activities that medical school love
- Work experience
- Building a medical CV
- Applying for scholarships to study medicine

They will be taking questions throughout the conference, so if your students have any questions about the application process or day-to-day life as a doctor, next week is their chance to ask them!

Applying to medicine is as much about working smart as working hard. This conference is therefore crucial to the application journey.

Young Chef's Academy

Do you have any students with a passion for cooking or are considering a future career in hospitality and catering?

Starting after Easter, Wednesday 19 April, this 6-week evening course is designed to give students, from Years 10-11, the first taste of working in a professional kitchen and within the hospitality and catering industry. Limited spaces available – online booking required.
