Task 5 Sustainable management of the tropical rainforest

Open this video: [Samasati, Nature retreat, Costa Rica 2012 - YouTube](#)

Read this link: [Eco Reserve and Sustainability - Samasati](#)

This link is an article to give you background information about ecotourism in Costa Rica (not our case study):

[costa+rica+ecotourism+geofile.pdf \(squarespace.com\)](#)

Make a factfile using these resources on:

- Costa Rica: maps & description of the rainforest biome
- What is ecotourism? How is it sustainable management of the rainforest?
- Samasati ecotourism case study:
 - o Where?
 - o What do they do?
 - o PLACE SPECIFIC DETAILS on: environmental, economic and social sustainability.
 - o How effective is this sustainable management?
