

## Subject: Mathematics Higher and Foundation

### Task 2 Corbett Maths Task

For this task you need to look at the list for the Corbett Maths GCSE Foundation or Higher Tier Checklist. Find a topic that you struggle with and watch the videos available by going to:

<https://corbettmaths.com/contents/>

If you wanted to, you may wish to do the worksheet to go with it. You can watch as many videos as you like.

The image shows two screenshots of the Corbett Maths website content lists with handwritten annotations. The left screenshot is for the GCSE Foundation Tier Checklist, and the right is for the GCSE Higher Tier Checklist. Handwritten notes include percentages of the exam (e.g., '15% of exam', '50% of exam', '20% of exam', '30% of exam is Algebra'), specific topics like 'Number, ratios, proportion and rates of change', 'Algebra', 'Stats', and 'Geometry', and a note 'Harder Algebra'.

## Videos and Worksheets

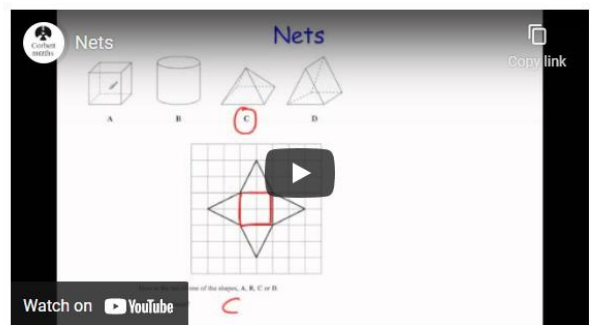

[Click here for answers](#)

2D shapes: names [Video 1](#) [Practice Questions](#) [Textbook Exercise](#)

2D shapes: quadrilaterals [Video 2](#) [Practice Questions](#) [Textbook Exercise](#)

3D shapes: names [Video 3](#) [Practice Questions](#) [Textbook Exercise](#)

## Nets Video

The video player shows four 3D shapes labeled A, B, C, and D. Shape A is a cube, B is a cylinder, C is a triangular prism, and D is a square-based pyramid. Below the shapes are their corresponding nets. A play button is visible over the nets. At the bottom, there is a 'Watch on YouTube' button and a 'Copy link' icon.
