The screenshot shows the 'Melodic Dictation Quiz' interface on the Toned Ear website. The page has a navigation bar with 'Toned Ear: Ear Training', 'Home', 'Exercises', 'How to practice', 'For teachers', 'Android & iOS App', and 'Contact Me'. The main content area is titled 'Melodic Dictation Quiz' and includes instructions: 'In this exercise, you will hear a short melody. Your goal is to identify the major scale degree of each note that you heard. For best results, practice a little bit every day.' Below this, there is a note about a teacher version of the website. The 'Notes' dropdown is set to 'Simple (1, 4, 5)' and the 'Questions' dropdown is set to '10'. There is a '+ show advanced options' button and a 'Start Quiz' button. Social media sharing options for Facebook, Twitter, and a 'More' button with '1.8K' are visible at the bottom. A Windows watermark is present in the bottom right corner.

Now LOOK at your score.
