1. Aims

This policy aims to:

- Set out our approach to requiring a uniform that is of reasonable cost and offers the best value for money for parents and carers
- Explain how we will avoid discrimination in line with our legal duties under the Equality Act 2010
- Clarify our expectations for school uniform

2. Our school's legal duties under the Equality Act 2010

The [Equality Act 2010](#) prohibits discrimination against an individual based on the protected characteristics, which include age, sex, disability, race, religion or belief, pregnancy and maternity, and gender reassignment.

To avoid discrimination, our school will:

- Avoid listing uniform items based on sex, to give all students the opportunity to wear the uniform they feel most comfortable in or that most reflects their self-identified gender
- Make sure that our uniform costs the same for all students
- Allow all students to have long hair (though we reserve the right to ask for this to be tied back)
- Allow all students to style their hair in a way that is appropriate for school and makes them feel most comfortable
- Allow students to request changes to swimwear for religious reasons or if they are experiencing discomfort related to their sex, gender or gender reassignment
- Allow students to wear headscarves and/or other religious garments
- Allow students with sensory or physical needs to make reasonable adaptations to their uniform depending on their specific needs
- Allow for reasonable adaptations to our policy on the grounds of equality by asking students or their parents to get in touch with their child's Head of Year who can answer questions about the policy and respond to any requests. These will be considered on a case-by-case basis

3. Limiting the cost of school uniform

Our school has a duty to make sure that the uniform we require is affordable, in line with statutory [guidance](#) from the Department for Education on the cost of school uniform.

We understand that items with distinctive characteristics (such as branded items, or items that have to have a school logo or a unique fabric/colour/design) cannot be purchased from a wide range of retailers and that requiring many such items limits parents' ability to 'shop around' for a low price.

We will make sure our uniform:

- Is available at a reasonable cost
- Provides the best value for money for parents/carers

We will do this by:

- Carefully considering whether any items with distinctive characteristics are necessary
- Limiting any items with distinctive characteristics where possible
- Avoiding specific requirements for items students could wear on non-school days, such as coats and bags. [Please refer to the section on 'unacceptable clothing']
- Keeping the number of optional branded items to a minimum, so that the school's uniform can act as a social leveller
- Avoiding different uniform requirements apart from Student Leader uniforms and Sports Captains
- Avoiding different uniform requirements for extra-curricular activities beyond PE kit.
- Considering alternative methods for signaling differences in groups for interschool competitions,
- Making sure that arrangements are in place for parents to acquire preloved uniform items. Parents should contact the Student Support Office in this instance.
- Avoiding frequent changes to uniform specifications and minimising the financial impact on parents of any changes
- Consulting with parents and students on any proposed significant changes to the uniform policy and carefully considering any complaints about the policy

4. Expectations for school uniform

4.1 Our school's uniform and where to purchase it

The most up to date and relevant information is located on our school website here

Information about pre-loved uniform can be discussed with our Student Welfare Officer, Mrs Clarke.

5.1 Students

Students are expected to wear the correct uniform at all times (other than specified non-school uniform days) while:

- On the school premises
- Travelling to and from school
- At out-of-school events or on trips that are organised by the school, or where they are representing the school unless instructed otherwise

5.2 Parents and carers

Parents and carers are expected to make sure their child has the correct uniform and PE kit, and that every item is:

- Clean
- Clearly labelled with the child's name
- In good condition

Parents are also expected to contact their child's Head of Year if they want to request an amendment to the uniform policy in relation to:

- Their child's protected characteristics
- The cost of the uniform

Parents are expected to lodge any complaints or objections relating to the school uniform in a timely and reasonable manner using the school's complaints procedure available on the school website.

5.3 Staff

Staff will closely monitor students to make sure they are in correct uniform. They will follow up with the Vertical Tutor/ Head of Year if incorrect uniform remains an issue.

Ongoing breaches of our uniform policy will be dealt with-according to our Positive Behaviour Policy.

In cases where it is suspected that financial hardship has resulted in a student not complying with this uniform policy, staff will take a mindful and considerate approach to resolving the situation.

5.4 Governors

The governing body will review this policy and make sure that it:

- Is appropriate for our school's context
- Is implemented fairly across the school
- Takes into account the views of parents and students
- Offers a uniform that is appropriate, practical and safe for all students

The Governing Body will also make sure that the school's uniform supplier arrangements give the highest priority to cost and value for money.

6. Monitoring arrangements

This policy will be reviewed bi-annually to ensure it meets the needs of our school. At every review, it will be approved by the Welfare Committee.
