

Cultural Capital Days – 2023/2024

- ◇ **Rationale:** To ensure our students have a broad and balanced curriculum, with all future pathways kept open, we offer three Cultural Capital Days per academic year. Through Year 7-9 students have 10-hour exposure to option-based subjects. The content is developed with elements of the National Curriculum and designed to be ambitious for all. Through Year 10-11 students are taught life skills, experience life as a university student, understand the impact of core subjects in society and improve their memory retention; all of which broadens our students’ horizons and provides skills for their future.
