20 July 2016

Dear Parents

## **Work Experience placements for next year**

Are you an employer or does your employer offer work experience for under 16s?

We are hoping to set up a database of potential work experience placements for Henry Beaufort students next year. In previous years students have largely sourced placements themselves and this has worked well for the majority, however, for students hoping to secure a placement in an area where there are no family connections it can prove tricky and many students encounter multiple rejections.

If you or your employer are willing to be placed on a database for Henry Beaufort students, please would you email Mrs Hill at [anne.hill@staff.beaufort.hants.sch.uk](mailto:anne.hill@staff.beaufort.hants.sch.uk) with the following details:

Name of organisation

Type of business

Contact name for work experience

email address & telephone number

Address

Students will still be expected to make contact themselves, but it is hoped that there will be less chance of rejection and students should be able to consider a wider range of opportunities.

Our Year 10 students have just returned from a most productive week of work experience. Thank you to those parents who have facilitated other students attending work placements from Henry Beaufort over the past week. This opportunity has been invaluable in their all-round development

Yours sincerely

Mrs Hill

Work experience coordinator
