Basingstoke Bus children

14th October 2016

Dear Parents

Now that parents have completed requests for places on the buses we are reviewing how the Basingstoke buses operate.

From Monday 31st October the bus times and routes will be subject to a few changes.

Colour coded bus passes will be issued to all users of the bus and students will only be able to catch their designated bus.

The school will use the information provided on your initial request form in order to designate the appropriate bus stop for your child, however, if this has changed please could you inform Mrs Clarke by Monday, 17th October at the latest. Please note, once seats have been allocated we will not be able to make any changes.

May we also remind you that all students who use the late bus must have a stamp in their planner to confirm to the bus driver that they have been at an after school activity.

More detailed information will be sent out next week.

Yours sincerely
Mr Irwin
