Dear Parents

## Safety Video

Please be advised that today we will be showing all our students an online safety video. This forms part of our Tutor programme on a Tuesday Week A where we tackle subjects that are relevant to our young people today.

The programme covers Mental Health issues, Child Sexual Exploitation, Sexting, Online Safety, Drugs and Alcohol and all the issues that affect our children in this changing world in which we live.

The video has a strong message. Please see the attached link:

<https://www.youtube.com/watch?v=6jMhMVEjEQg>

It would be very useful to discuss online safety with your child. Further information and guidance can be found on our parent page <http://www.beaufort.hants.sch.uk/page/?title=Parent+Support&pid=215>

Thank you for your continued support.

Mr Applin  
Assistant Headteacher
