TO ALL YEARS

24 March 2017

Dear Parents

Access to School Site

Could we remind parents that the school car park is for staff and official visitors only. For health and safety reasons the car park is not open for public use at the beginning and end of the school day for dropping off or picking up students. In the same way, East Woodhay Road is not a drop off or turning zone. A few parents continue to use them in these ways at the start and the end of the day and this is putting pedestrians at risk. I have also received complaints from the residents of East Woodhay Road about the congestion being caused. This has included problems accessing driveways as well as the inability to get out of drive ways including one resident unable to leave their home to attend a medical appointment.

I am sure you appreciate that good relations with our local community is of great importance to the school and I would be most grateful if you could support the school in alleviating the issues for our neighbours. If you are intending to drop off or pick up your child could you please arrange to do this at the free local carpark on the far side of the shops [next to the petrol station].

Thank you for your support in this matter.

Miss Hearle
