18 September 2017

Dear Parents

## Henry Beaufort Day of Languages 2017 – Year 7

Students in Year 7 will be celebrating the European Day of Languages on Friday 29<sup>th</sup> September. Over the course of the day, students will have to opportunity to take part in taster sessions of a language that they do not study, as well as learn about different cultures and the importance of languages in the world around us. Henry Beaufort students have celebrated the European Day of Languages for several years; each year has been a great success and students have had a positive and enjoyable experience.

This year we would like to offer students the chance to experience some European culture by providing them with a French style breakfast. They will have an opportunity to enjoy croissants with jam with a glass of orange juice during one of the sessions.

We ask that each child brings in 50p as soon as possible in order to cover the cost of the food and so that we are able to order food in advance. Food is optional, however we feel that it would be a positive experience for all.

If you wish your child to participate in the French breakfast, please send in 50p along with the reply slip below to the finance office no later than Tuesday 26<sup>th</sup> September. Alternatively, the money can be paid online but permission slips must still be returned to finance. Please state if your child suffers from any food allergies and **tick the box of any foods that s/he cannot eat**.

We are very much looking forward to the day and we are sure that every student will have an enjoyable and educational day.

Yours sincerely

Mr P Leggatt  
Associate Senior Leader  
Academic Leader  
Modern Foreign Languages
