20 September 2017

Dear Parents

Year 10 Information Evening – Thursday 21 September 2017

Year 10 have settled back in well and I have been pleased with their positive approach to the new academic year- with some very positive feedback from options teachers as well as core subjects.

I would like to take this opportunity to remind you that the Year 10 Information Evening is tomorrow, Thursday, this week at 5.00pm in the Concert Hall. I hope that you will find it useful. There will be important information about Work Experience as well as an insight into the way that GCSE courses are structured from Maths and English Academic Leaders.

Please could you park in the upper carpark, by the Beacon Arts' Centre on arrival. The Year 11 Information Evening is taking place from 6pm until 7pm and this will help with car parking and alleviate unnecessary congestion for parents.

Yours sincerely

Alice Harlan
Head of Year 10
