This is a summary of how our school delivers music education to all our pupils across three areas – curriculum music, co-curricular provision, and musical experiences – and what changes we are planning in future years. This information is to help pupils and parents or carers understand what our school offers and who we work with to support our pupils' music education.

Part A: Curriculum music

This is about what we teach in lesson time, how much time is spent teaching music and any music qualifications or awards that pupils can achieve.

The Music Curriculum at The Henry Beaufort School is taught in mixed teaching groups throughout Year 7 & 8 where students have 3 and 2 hours of curriculum time per fortnight, respectively.

Students go through the options process of opting for GCSE Music in Jan/Feb 2026. Once they have chosen their options they complete

- Year 9 (5 hours a fortnight) where they are prepared to start their GCSE studies.
- Year 10 & 11(5 hours a fortnight) where they study the OCR exam board for GCSE Music

Please see the following documentation that sets out what is taught to each year group, where opportunities are for students to sing, play through paired work, group work and whole-class ensemble teaching:

- Music Curriculum Map 2025-26 (Appendix 1)
- Yr 7 & 8 Music Curriculum Map with HB2 2025-26 (Appendix 2)

The Henry Beaufort School Music Department has a strong partnership with Hampshire Music Service who provide excellent opportunities for all young people through our Cultural Capital Days. Please see the document which outlines these and other opportunities throughout the year for all year groups:

- 5 Year Curriculum with Careers, CC, DIS 2025-26 (Appendix 3)

Part B: Co-curricular music

This is about opportunities for pupils to sing and play music, outside of lesson time, including choirs, ensembles, and bands, and how pupils can make progress in music beyond the core curriculum.

The Henry Beaufort School has a strong partnership with Hampshire Music Service who provide instrumental/vocal tuition through their peripatetic teaching. This includes 1 to 1 teaching or paired lessons in:

- Voice, Drum Kit, Percussion, Electric Guitar, Acoustic Guitar, Ukulele, Bass Guitar, Violin, Viola, Cello, Piano, Keyboard, Trumpet, Cornet, French Horn, Euphonium, Tenor Horn, Trombone, Tuba, Flute, Clarinet, Alto Saxophone, Tenor Saxophone and Music Theory.

All instrumental/vocal tuition is charged in 9 weeks blocks to parents. Lessons are subsidised by 50% for pupil premium/disadvantaged students. All students receiving tuition at school can opt to be entered for external examinations with the following exam boards:

- ABRSM
- Trinity
- RSL

We also started a new initiative in September 2024 (Rock 2 The Beat) that will increase the opportunities for students to receive tuition and have teacher led ensemble music making opportunities in bands. This was very successful and so we will continue with this for 2025-26.

Whole class ensemble music making happens in all year groups through the year.

Typical examples are:

- Singing in all year groups
- Samba in Year 7, 10 & 11
- West African Drumming in Year 8, 9, 10 & 11
- Balinese Gamelan workshops for all students in Year 8 as part of our Cultural Capital Days (we ask for a monetary contribution to these workshops but subsidise all pupil premium/disadvantaged students)
- Steel pans in Year 10 & 11
- Taiko Japanese Drumming workshops and performances for all students taking GCSE Music in Year 9, 10 & 11 (we ask for a monetary contribution to these workshops but subsidise all pupil premium/disadvantaged students)
- Whole class ensembles rehearsed for performances at termly concerts in Year 9, 10 & 11

The Music staff at school provide the following free Extra-Curricular activities:

- o *Resonate* Choir (Year 7-11: open to all students)
- o Chamber Choir (Year 7-11: open to all students)
- o Jazz Band (Year 7-11: open to all – targeted students are the more able achieving Grade 4+)
- o Orchestra (Year 7-11: open to all students – targeted students are all those learning an instrument whether that is at school or privately)
- o Whole School Production – title TBC – we aim to perform this at the Theatre Royal, Winchester in January 2027 (open auditions to all Year 7-10 March 2025)

The Music staff encourage students to form their own ensembles and rehearse regularly in music department (supervised by SED/SAU). This is all rehearsed during break/lunch and after school – students can book music practice rooms for these times.

The Music staff also form new ensembles to capitalise and build on the ‘current’ talent (i.e. Clarinet Quartet, Flute Ensemble, String Ensemble). All rehearsed during break/lunch and occasionally after school.

Please see the following documents for more detail about these opportunities:

- 5 Year Curriculum with Careers, CC, DIS 2025-26 (Appendix 3)
- SMSC Evidence 2025-26 (Appendix 4)
- Cultural Capital Days 2025-26 (Appendix 5)

Students are encouraged to make use of the excellent provision of Hampshire Music Service through:

- Instrumental loans (this is available to any student irrespective of where their tuition takes place)
- Instrumental loans are also part of the new 'Rock 2 The Beat' provision from September 2024
- Attending the evening/weekend pyramid of ensembles that rehearse at The Henry Beaufort School (Winchester Area string ensembles/orchestras/choirs/jazz band/woodwind ensembles). Due to the wide area that students travel from to attend The Henry Beaufort School, students also regularly attend the Basingstoke pyramid including the Basingstoke Area Youth String Orchestra

Students also audition for and participate at both County and National level through attending:

- Hampshire County Youth Orchestra
- Hampshire County Youth Wind Ensemble
- Hampshire County Youth Choir
- National Youth Orchestra
- Junior Royal College (on Saturdays)

Part C: Musical experiences

This is about all the other musical events and opportunities that we organise, such as singing in assembly, concerts and shows, and trips to professional concerts.

Students will have a wide variety of musical experiences throughout their five-year learning journey. These will include:

Performances from individuals/bands/large ensembles/whole GCSE classes at concerts, options evening, information evenings, celebration assemblies, leavers assembly. We pride ourselves on being a fully inclusive department and therefore performances from students can be from any year group, including those who do not learn at school and those who have not opted for GCSE Music. We embrace and actively encourage music from all cultures/genres, and we celebrate diversity. These performances include:

- All of Year 7 singing in class throughout the year and encouraged to attend Chamber & Resonate Choir
- All ensembles listed in the Extra-curricular list above performing in the Winter, Spring and Summer Concerts

Other opportunities for practical music making and performing are:

- Workshops at Options Evening for Year 9 GCSE students
- Whole year group workshops in Balinese Gamelan for Year 8 as part of our Cultural Capital Days in November 2025
- Trips to experience the wider expressive arts through the Year 7 Cultural Capital Day in Feb 2026
- Trip for Year 10 & 11 students who have opted for GCSE Music to see a professional concert (at The Grange Festival, Alresford, The Anvil, Turner Sims, The Mayflower and visits to local 6th form Colleges for lunchtime concerts)
- Whole school production (title TBC) – we aim to perform this at the professional theatre in Winchester. Auditions and rehearsals for this production start in March 2026 and therefore includes students in Year 8-11 for the performances in January 2027. Students will also be part of the backstage crew (costume, make-up, props, stage design etc...)

Please see the following document for more detail about these opportunities:

- 5 Year Curriculum with Careers, CC, DIS 2025-26 (Appendix 3)

In the future

This is about what the school is planning for subsequent years.

The Music Department at The Henry Beaufort School believes in high quality music making opportunities for all students. In the future we plan to:

- ensure that we maintain high quality music education for all students in all year groups.
- provide a wide variety of practical music making opportunities for all students that inspire and motivate them to have a lifelong love of music.
- continue to develop and widen the musical ensembles that we have to embrace music from all traditions and backgrounds (ranging from a school orchestra to performances on world music instruments, opportunities for bands from 'Rock 2 The Beat') and to harness the current talent of the school through creating new ensembles (i.e. clarinet ensemble)
- continue to plan a whole school production every two years that we audition and rehearse at school but perform in a professional setting.

ALL students in Year 7-11 are engaged in Cultural Capital opportunities in the Music Department throughout the 5-year curriculum irrespective of whether or not they have opted for GCSE Music through the following:

- Instrumental/vocal lessons: (50% discount for all students who qualify for pupil premium + 10 disadvantaged students fully funded for paired lessons).
 - Instrumental/vocal tuition at school is encouraged for all students in Year 7-11 whether or not they have opted for GCSE Music
 - Class passes are issued to all students having instrumental/vocal tuition at school to enable them all to leave other curriculum areas with permission

- Practice room passes are issued to students (**often disadvantaged/vulnerable/SEND**) to enable students to use their musical interest/expertise effectively and to channel their energies and attention into something productive and creative. This supports behaviour, well-being and mental health
- Group music making - new partnership from Sept 2024 with Hampshire Music Service – Rock 2 The Beat. This will continue this initiative in 2025-26.
 - Students can sign up to receive tuition and ensemble direction on a range of popular instruments (voice, drum kit, electric guitar, bass guitar, keyboard) to form bands who will rehearse weekly under the direction of staff from Hampshire Music Service
- Extra-Curricular activities:
 - *Resonate* Choir (Year 7-11: open to all students – **targeted students include boys and disadvantaged**)
 - Chamber Choir (Year 7-11: open to all students – **disadvantaged students having singing lessons at school**)
 - Jazz Band (Year 7-11: open to all – targeted students are the more able achieving Grade 4+ **including disadvantaged**)
 - Orchestra (Year 7-11: open to all students – targeted students are all those learning an instrument whether that is at school or privately – **including disadvantaged**)
- Participation in Concerts and Musicals/Shows:
 - Auditions for whole school production March 2026 – aim to perform at the Theatre Royal January 2027 – open to all Year 7-10 (cast in Jan 2027 will be Year 8-11) **including disadvantaged**
 - Opportunities to perform at Whole School Events (assembly, open evening etc... - events held throughout the year) Year 7-11 – student encouraged to book practice rooms to rehearse their own ensembles **including disadvantaged**
 - Christmas, Spring & Summer Concerts (December 2025, March & July 2026) – opportunity for students in Year 7-10 Rising Stars to shine through. **Disadvantaged** and boys encouraged to perform
- Participation in performances in Year 7-10 End of Year Celebration Assemblies **including disadvantaged**
- Students encouraged to form their own ensembles and rehearse regularly in music department (supervised by SED/SAU) **including disadvantaged**. All rehearsed during break/lunch and after school.

Year 7	Basic Skills - developing use of communication and cooperation in group work. Developing imagination and creativity through composition tasks in Samba. Developing creativity and imagination through improvisation in Jazz. Students develop the ability to empathise and respect other people's values and feelings through work on lyrics in Blues Music. Listening activities and practical tasks teach the importance of WHY that style of music sounds the way it does and WHERE it comes from as well as WHAT it is.	In every scheme of work all students contribute to group performances and compositions, knowing that the final outcome will be dependent on their input, effort, and creativity during lessons. Students then have the opportunity to listen back to their work and the work of others. They then have the opportunity to refine and improve their work based on self or peer evaluation.	During the scheme of work on Samba students learn about the background and context of the style and the importance of the music in the Brazilian community. They experience this through whole class performance work which develops their understanding of working with others, belonging, and participating.	All students participate and respond to music every lesson through listening activities, class discussions, performing and composing. This includes music from a diverse range of styles and develops students understanding of cultural context.
--------	---	--	--	--

Year 8	Basic Skills - developing use of communication and cooperation in group work. Developing imagination and creativity through composition tasks in African Music and Reggae. Listening activities and practical tasks teach the importance of WHY that style of music sounds the way it does and WHERE it comes from as well as WHAT it is.	Students are actively encouraged to experiment with ideas and be brave with the decisions they make, often learning from mistakes. In every scheme of work all students contribute to group performances and compositions, knowing that the final outcome will be dependent on their input, effort, and creativity during lessons. Students then have the opportunity to listen back to their work and the work of others. They then have the opportunity to refine and improve their work based on self or peer evaluation.	In a scheme of work on Film Music students learn about the impact of music on the wider/global community. Students develop a wider understanding of how music fits into the arts/media industry.	During the scheme of work on African Music students learn about the background and context of the style and the importance of the music in the African community. They experience this through whole class performance work which develops their understanding of working with others, belonging, and participating.
-----------	--	---	---	--

Year 9	Basic Skills - developing use of communication and cooperation in group work. Students develop their creativity and their ability to express themselves through music during a topic on Song writing. Listening activities and practical tasks teach the importance of WHY that style of music sounds the way it does and WHERE it comes from as well as WHAT it is.	Students are actively encouraged to experiment with ideas and be brave with the decisions they make, often learning from mistakes. In every scheme of work all students contribute to group performances and compositions. In year 9 students are given more independence in both their choice of style of music and instrument (cover versions and song writing) knowing that the final outcome will be dependent on their input, effort, and creativity during lessons. Students then have the opportunity to listen back to their work and the work of others. They then have the opportunity to refine and improve their work based on self or peer evaluation.	During the scheme of work on cover versions students develop their understanding of the variety of roles within the music industry. In cover versions and song writing students develop their understanding of the roles of musicians in ensembles and how they work together.	In a scheme of music on Minimalism students learn about the diverse range of performance practices, compositional techniques, and ways of notating music. They learn to understand and appreciate the experimental nature of this style of music.
-----------	---	---	--	---

Year 9-11 GCSE Music	Students will continue to implement and build on their spiritual, moral, social, and cultural experiences during the GCSE Music course through: Performing: • Understanding and respecting traditions and conventions from different musical styles. • Working with others in musical ensembles. • Identifying areas for improvement and developing the necessary skills. Composing: • Using creativity and imagination to create their own pieces of music within a certain style. • Understanding and respecting the cultural traditions within a specific style of music and developing the ability to fuse this with their own musical style in their compositions. Written work • Students develop an understanding of the key features of a particular style of music, which they then relate to their own work and justify the decisions they have made. Listening Exam • Students learn about the culture, conventions, traditions, history, and musical features from a wide and diverse range of musical styles and genres from 1600 to the present day. • Students learn how to apply their knowledge and understanding through analysing music that they listen to.

Personal Development - Cultural Capital

Cultural Capital Days – 2025/2026

Rationale: To provide our students with a broad and balanced curriculum while keeping future pathways open, we offer three Cultural Capital Days each academic year.

From Years 7 to 9, students engage in 10 hours of exposure to option-based subjects. This content is thoughtfully developed, drawing from the National Curriculum, the Key Stage 3 and 4 Citizenship curriculum, and key elements of the Department for Education's RSHE guidance. It is intentionally ambitious to challenge and support all learners.

In Years 10 and 11, the focus is life skills development. Students gain experiences such as exploring university life, understanding the societal impact of core subjects, and enhancing memory retention strategies. These experiences are designed to broaden their horizons and equip them with essential skills for future success.

Date	Year 7	Year 8	Year 9	Year 10	Year 11
Wednesday 12 th November 2025	Language Day *Paired with PE Year 7 Languages Day – students will learn about the importance of languages, learn a new language in a taster session, try sports from around the world know about how language and culture intertwine. Learn how to become a global citizen and appreciate different cultures	Expressive Arts Paired with Technology Year 8 students will develop their understanding of Expressive Arts by the exposure of theatre productions, musicians, and skills that be used in everyday life. They will explore music from a different culture and link with Technology To fit in with Chinese New Year students design and make Chinese lanterns and a noodle dish.	Humanities Year 9 students will continue to develop their understanding of Hums outside of the classroom by attending a trip to Portsmouth moving between Gunwharf Quays (Geography), the Historic Dockyard (History) and St George's Church (RE)	University of Winchester Taster Day Students will spend the day focusing on 'life as a university student'. They will be exposed to lectures, speaking to students and having a tour of the university campus.	MOCK EXAMS

Personal Development - Cultural Capital

Wednesday 25 th Feb 2026	Expressive Arts Year 7 students will develop their understanding of Expressive Arts by visiting Southampton Gallery	Languages *Paired with HIU Apprentice Task – students will undertake a task in which they will design a marketing campaign for a new cruise line.	Design and Technology Students find out how biscuits are made on an industrial <u>scale</u> , and then design their own to fit a design brief and make their own biscuits. Students also design and test bridges and make their own outfits by upcycling.	First Aid Course Students will learn basic skills of first aid including primary survey, recovery position, CPR, dealing with shock; whilst applying to real life scenarios.	Memory Retention Across the 3 core <u>subjects</u> , students will participate in activities to support memory retention. These will provide skills that students can apply for years beyond the classroom.
Wednesday 17 th June 2026	STEM Design and Technology Students investigate the history of Lego and take part in a Lego workshop at Legoland, Windsor	Humanities Year 8 students will develop their understanding of Hums outside of the classroom through School Fieldwork (Geography), Second World War Drama (History) and attend a Holocaust Survivor discussion (RE)	PE – HB Festival of Sport Interhouse sports tournament. Students will learn about sporting values and participate in different sports tournaments against other year 9 houses.	Language in Law Students will take on the role of barristers, <u>crafting</u> opening and closing statements for a <u>real life</u> case. Budgeting for the future Exploring minimum wage, payslips, national insurance, tax, government spending, household costs, insurance, needs and wants, lifestyle choices, budgeting, unexpected costs, and savings. Bad Science Exploration of 'Bad Science' exploration of scientific process and the difficulties of interpreting science in the news and media around us to develop students as Scientifically literate citizens.	

Cultural Capital Days continue to expose our students to a wide range of cultural influences. Students learn about our own heritage and others, understand different faiths and cultural diversity, take part in artistic, musical, sporting, and cultural opportunities.

Our students will continue to be exposed to Cultural Capital throughout their timetabled lessons and as part of our extra-curricular provision.
