The screenshot shows the 'Melodic Dictation Quiz' setup page on the Toned Ear website. The page has a navigation bar at the top with links for 'Home', 'Exercises', 'How to practice', 'For teachers', 'Android & iOS App', and 'Contact Me'. On the left side, there is a vertical social media sharing bar with icons for Facebook, Twitter, Email, and a generic share icon. The main content area is titled 'Melodic Dictation Quiz' and includes instructions: 'In this exercise, you will hear a short melody. Your goal is to identify the major scale degree of each note that you heard. For best results, practice a little bit every day.' and 'If you are a teacher and would like to use this exercise and others like it in the classroom, check out ToneSavvy, the for-teachers version of this website.' Below the instructions, there are two dropdown menus: 'Notes' set to 'Simple (1, 4, 5)' and 'Questions' set to '10'. A note below the 'Questions' dropdown says 'Leave as 0 for never-ending quiz.' There is a '+ show advanced options' button and a 'Start Quiz' button. At the bottom, there are social media links for Facebook, Twitter, and a 'More' button. A Windows watermark is visible in the bottom right corner.

Now LOOK at your score.

If you got less than 6 please complete the same melodic dictation quiz another 3 times on different days.

If you got more than 6 please complete a more advanced melodic dictation another 3 times on different days.
