# MR C JANES, HEAD OF YEAR 7 - INTRODUCTION

Welcome to The Henry Beaufort School, where you are about to embark on an incredibly exciting journey. With a decade of experience at this school, I can confidently say that you are joining a community where pride, happiness, and ambition are more than just words – they are the values that define everything we do.

Over the next five years, you will encounter new experiences, face challenges, and embrace opportunities for growth. It is natural to feel a mix of excitement and uncertainty but rest assured that you are not alone. With my experience and our dedicated team, we will ensure that each of you thrives, overcomes obstacles, and makes the most of your time here.

Our school motto – *'Pride, Happiness, and Ambition'* – is at the heart of our community. We take pride in our achievements, big or small. We cultivate happiness by fostering a supportive and respectful environment. And we encourage ambition, pushing you to aim high in all aspects of your life.

Having been part of this school for 10 years, I have seen countless students achieve remarkable things, and I have no doubt that you too will leave a positive mark here. My commitment to you is unwavering, and together, we will work to help you become resilient, conscientious, and determined individuals, ready to excel beyond Year 11.

I am genuinely excited to begin this journey with you, and I look forward to seeing all that you will achieve. Let's make these next five years unforgettable.

# ENRICHMENT

At The Henry Beaufort School we believe all students should be exposed to opportunities and experiences that extend beyond the classroom. These experiences are designed to broaden their horizons, challenge them personally, and aid in their development. Throughout your child's first year here at The Henry Beaufort School they will get the opportunity to participate in a variety of enriching extracurricular activities.

The extracurricular programme runs on a Monday, Wednesday and Thursday after school with many clubs offered. The PE department run clubs in many different team and individual sports and provide both friendly and competitive opportunities that are available to all. Within the Performing Arts department there are opportunities for students to attend art, orchestra, jazz band, drama club, resonate choir, chamber choir and many more. Other extra-curricular activities in a typical term include the Debate Club, Environmental Club, Mandarin Club, Beaufort Book Club, Cooking Club and Science Club, Technology Club, War Hammer Chess Club and many more! All of these opportunities will be launched to the Year 7 students in the form of a Freshers' Fair.

We are proud to offer a wide range of enrichment trips as part of the curriculum, as well as additional enrichment opportunities outside the curriculum. Specific subjects will offer trips and activities to support and reinforce key parts of the curriculum. Each year we run Enrichment week, where students can attend a wide variety of day trips and residential experiences both in the UK and abroad including Berlin, Paris, PGL, Belgium. We also run trips to the Battlefields of World War One and a biannual ski trip.
