Monday 19 June 2023
4.30pm to 7pm

Basingstoke College of Technology (BCoT)'s Schools Liaison team is dedicated to providing activities and interactive sessions to help students decide what they would like to pursue after they leave school.

We believe that offering these activities also helps students gain a better understanding of post-16 options and further develops their skills.

Taking part in some of our Schools Liaison activities will help your school reach the Gatsby Benchmarks.

WHAT WE CAN OFFER

Assemblies/presentations

Year 10 and 11

Assemblies are a great way of engaging students directly, and offer information about applying to college, student support, travel, transition to college life and entry requirements.

Workshops

Year 10 and 11

If you have a number of students who are interested in a particular course, we are happy to run taster sessions to help your students get a better idea of what it would be like to study that course at BCoT.

Application clinics

Year 11

We can come into your school to help students with their applications to study at BCoT. If they are struggling with their application, or have any questions, it is a good opportunity for them to get some guidance from us.

Year 10 Tasters Days

Year 10

Our Taster Days are run yearly for Year 10 students to get a feel for the College and the courses on offer, via a combination of information and practical sessions. Contact our team to register your interest.

College tours

Any year

If any of your students would like to come to BCoT for a tour of the college, we are more than happy to arrange this.

WE CAN ALSO COME TO YOU FOR

- Career fairs - Years 8, 9, 10 and 11
- Mock interviews - Years 10 and 11
- GCSE options evenings - Years 8 and 9

If you would like to book any activities for the upcoming academic year, please contact our Schools Liaison Coordinator Paige Carnegie, at schools.liaison@bcot.ac.uk or give us a call on **01256 306661**.

INDUSTRY-LED COURSES

BTEC

BTECs are high-quality, career-focused qualifications. This means BTEC learners develop and apply the knowledge, skills and behaviours that employers and universities are looking for.

Level 2 BTEC is a similar standard to GCSE and offers an introduction to work in a vocational sector. Combined with other qualifications, these can enable you to go on to further study, to an apprenticeship, or into employment.

Level 3 BTEC is a similar standard to A Levels. Many of these are well regarded by universities, further education colleges, and employers.

Apprenticeships

Apprenticeships give you the chance to learn on the job, instead of being in the classroom full-time. You will be assessed on a continuous basis, with some exams and end point assessments. Apprenticeships involve either day or evening release to BCoT, or personal tutoring within your workplace.

Apprenticeships start at Level 2 and go right up to Level 6, which is equivalent to a degree or an advanced professional qualification.

T-Levels

T Levels are a brand new qualification designed to give you a head start towards the future you want.

They follow GCSEs and are equivalent to three A levels. The two-year qualification brings classroom and work placement together, on a course designed in collaboration with the best employers.

You'll spend 80% of your time in the classroom and 20% on a 45-day placement with an employer to give you the skills and knowledge companies look for.

96.2%

of students who applied to university received an offer of a place.

apprenticeship

HOW TO APPLY

DISCOVER BCoT

Visit our open events to find out more about the College and take a look around. See the contents page, or the back cover of this guide or check bcot.ac.uk for next event dates.

APPLY ONLINE BEFORE 31 DECEMBER

Go to bcot.ac.uk/apply when you've decided which course is right for you.

RECEIVE YOUR CONDITIONAL OFFER

COME TO A FACULTY EVENING

Find out more about your course and have the chance to ask any questions you might have.

ATTEND OUR WELCOME EVENT

Our summer event will help prepare you for college in September.

RESULTS DAY

Hopefully you'll be celebrating, but don't worry if you didn't quite achieve what you hoped for – there are always other options available. Talk to us for help and support.

ENROLMENT

Officially join the College, get your ID card and starter pack. Start creating your future.

SIXTH FORM FOR CURIOUS MINDS

WINCHESTER
COLLEGE

Places now available for independent, academically ambitious girls and boys with a passion to succeed.

Outstanding sport, music, art and drama.

Full bursaries available.

Inspirational teaching that leads to top UK and international universities.

Winchester College is a boarding school for boys in Years 9 – 13. From September 2022, Winchester College's Sixth Form will welcome girls and boys joining as day pupils. Girls can join our Sixth Form as boarding pupils from September 2024.

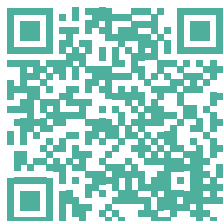

Outstanding teaching by subject specialists, offering the perfect preparation for university, alongside tailored careers advice. Support from a strong house family of friends and staff ensures pupils thrive and enjoy all that Winchester offers, whilst developing their own independence and interests.

We welcome applications from highly motivated pupils, irrespective of background.

Our bursaries programme can cover up to 100% of fees plus additional costs for eligible pupils.

The Wykeham Award is a dedicated bursary for pupils joining us at Sixth Form, who are currently studying at a UK state secondary school.

For more information email Andy Shedden, Registrar, at admissions@wincoll.ac.uk
