

BASINGSTOKE COLLEGE OF TECHNOLOGY (BCOT)

T LEVELS

BCoT have an event on the 1st May for students who are interested in T Levels, and parents who may like to find out more information regarding these. This will be a short event with a presentation and then opportunity to talk to the course areas about their T Level offering, they currently have T Levels in Animal Management, Business, Computing & IT, Construction, Engineering, Health & Social Care and Media. Students who have already applied for one might find it useful to chat through the course, and those who are on the cusp of entry requirements or who are considering one but aren't sure will hopefully find the information useful for decision making come results day.

You can find out more information and book a free ticket here:
