YEARS 8 & 9
CULTURAL ENRICHMENT WEEK
2026
13th – 17th July 2026

Welcome to our Enrichment Week Booklet. Activities during this week will be organised by year group - this booklet introduces the choices for Years 8 and 9. One of the main aims of Enrichment Week is for students to have the opportunity to experience new challenges and situations in the company of students they may not know. We have arranged an exciting range of choices for students in Years 8 and 9.

Introduction

We will endeavour to give as many students as possible their first-choice activity, but there will always be some who cannot have their first choice. Please make sure that second and third choices are carefully considered.

It is most important at this stage that students and parents recognise the commitment made upon agreeing to join a trip or activity. The loss of even one student to a small trip can jeopardise its viability. A **non-returnable deposit** will be required for ALL activities. If we do not get enough contributions to cover the cost of the trip in full or enough students to go for the trip, we may need to consider cancelling it.

We offer a range of activities to suit a variety of budgets and interests. Please note the cost of the trip when selecting an Enrichment week activity as some trips may have expenses that must be paid for including accommodation for residential trips. If selecting a residential trip, please take into consideration any other residential trips your child is already committed to attending.

For students that are in receipt of Free School Meals or have been in the past six years please contact Miss Colebourn (emma.colebourn@staff.beaufort.hants.sch.uk) if you would like any financial support.

How to use this Booklet

1. Please read the entire booklet carefully and discuss the options with your parents. Some of the prices given are approximate and will be confirmed. Payment schedules will be released thereafter.
2. You should indicate **three choices in order of preference** via the [Microsoft Form](#) (more information can be found on the back page of this booklet). Remember it may not be possible to allocate all students to their first choice, so equal thought should be given to second and third choices.
3. Make sure the form has been submitted by **Friday 7th November 2025**
4. We will confirm your child's allocation and we will be asking for deposits to be paid by **Friday 12th December**

Your Child's Attendance during Enrichment Week

As Enrichment Week is a designated school week and part of the school year, every child is expected to attend.

Holidays taken during the time of Enrichment Week will not be authorised by the school and will appear as an unauthorised absence on your child's attendance records; this is in line with the school's attendance policy.

If you have any questions or concerns about the attendance monitoring procedures at The Henry Beaufort School, please do not hesitate to contact the attendance team or your child's Head of Year.

YEAR 8 & 9

ENRICHMENT WEEK CHOICE FORM 2025

***Note:** Deposits will be required for all activities, these will be non-refundable unless the activity does not run due to lack of interest.*

The purpose of this booklet is to inform you what Enrichment Week Choices are on offer this year. When you and your child have decided upon their first, second and third choice, parents/carers must complete the [Enrichment Week Choices Microsoft Form](#) (the link to which has also been sent via Arbor).

The Microsoft Form will be live until **Friday 7th November 2025**. By completing the form, students and parents recognise the commitment made upon agreeing to join a trip or activity.

We will endeavour to give as many students as possible their first-choice activity, but there will always be some who cannot have their first choice. Please make sure that second and third choices are carefully considered.

We will confirm what trip your child has been allocated ASAP.
