The HENRY BEAUFORT School

ATTITUDE GRADE DESCRIPTORS 2026/2027

Your attitude to learning is OUTSTANDING (star on report) because you are:-

- Motivated/driven and resilient
- Eager and ready to learn on arrival
- Proud of your uniform and equipment
- Respectfully and quickly respond to all instructions
- Ambitious to exceed your target
- You always get your stamp and often get extra stamps for going above and beyond

Your attitude to learning is GOOD (green on report) but not yet outstanding because:-

- Your behaviour meets the required standard
- You are punctual to lessons and ready to learn
- You wear the correct uniform and are properly equipped for each lesson
- You follow instructions
- Your positive mind-set means that you work to achieve at least your target grade.
- You always get your stamp for this subject

Your attitude to learning is BELOW THE MINIMUM EXPECTATION (amber on report) and not yet good because:-

- Sometimes your behaviour disrupts others
- You can be late for lessons
- You do not always have correct uniform/equipment
- You sometimes fail to follow instructions first time
- Your mind-set is sometimes a barrier to meeting your target
- You sometimes lose your stamp for this subject and get a number written in your handbook

Your attitude to learning is UNACCEPTABLE (red on report) because:-

- You disrupt your own learning as well as that of others
- You are often late or absent from lessons
- You are ill prepared for lessons and do not follow uniform rules
- You do not follow the teachers instructions and DT's are set
- Your fixed work mind-set is preventing you from meeting your target
- You often lose your stamp and sometimes get behaviour points in this subject

HOME LEARNING GRADE DESCRIPTORS 2026/2027

Your home learning is OUTSTANDING (star on report) because:

- It is always completed on time
- It is of a very high standard
- It is presented with significant effort
- You treat Home Learning as an opportunity to extend and enhance your understanding
- You often get extra stamps for going above on beyond with your Home Learning

Your home learning is GOOD (green on report) and not yet outstanding because:

- It is always completed on time
- It is of a good standard
- It is presented with care and effort
- You treat Home Learning as something that supports your understanding
- You are awarded your stamp for completing Home Learning on time

Your home learning is BELOW THE MINIMUM EXPECTATION (amber on report) and not yet good because:

- It is not always completed on time
- It is not always presented to an acceptable standard
- It doesn't always meet the full requirements of what has been set
- You do not always accept that Home Learning forms part of your understanding
- You sometimes lose your stamp for your attitude towards your Home Learning

Your home learning is UNACCEPTABLE (red on report) because:

- It is often late
- It is often incomplete
- It is presented in a way that suggests lack of time and effort
- You do not see Home Learning as something useful to your understanding
- You have received behaviour points for persistent lack of Home Learning
